

Passport & Visa Information

It is the sole responsibility of the guest to identify and obtain all required travel documents for all ports. We strongly recommend that guests travel with a Passport. All Passports must be valid.

Guests on consecutive sailings must have the proper documents for their entire cruise vacation.

The requirements on this document were accurate as of June 1, 2009 but should be validated by the guest prior to leaving home through an Embassy, Passport or Visa service.
